<u>Historical Comments</u> Chapter 639, Statutes of 2003 (SB 228), redirects all revenues from fees paid pursuant to Section 139.2 (n) to be deposited into the Workers' Compensation Administration Revolving Fund (0223). Former legislation provided for these funds to be deposited into the Industrial Medicine Fund. Since the legislation creating the Industrial Medicine Fund has been omitted, and the revenues redirected, this fund is therefore abolished effective January 1, 2004 (SB 228). All assets, liabilities, and unencumbered balances of the Industrial Medicine Fund will be transferred to Fund 0223.
